

PE AND SPORT PREMIUM FUNDING 2018-19

Our Sports & PE Vision Statement.

At Forncett St. Peter CEVA Primary School, we aim to provide high-quality physical education which will inspire our children to participate, succeed and excel in a range of physically demanding activities including competitive sports. We aim to provide opportunities for our children to become physically confident in a way which supports their health, wellbeing and fitness and develops their character through embedding sporting values such as fairness and respect which complement our school's Christian values and school's overarching vision which is 'to love our neighbour as we love ourselves by treating others as we would like to be treated'.

About the PE and Sports Premium Funding.

'PE and Sport Premium Funding is designed to help primary schools improve the quality of the PE and sports activities they offer their pupils.

Schools receive funding based on the number of pupils in Years 1 to 6.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money'.

(source: Department for Education website)

As a result of the additional funding, we aim to:

- Improve the quality and breadth of PE and sport provision
- Increase pupils' participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of

Our Funding Amount

Total amount of Pupil Premium Grant		
Financial Year	Number of pupils eligible for PE and Sport Premium funding	Allocated budget
2018 - 19	105	£16,900 £10,018 C/F 17/18 £26,918

Key focus areas for 2018 - 19
<p>Our approach is to continue to develop the successful areas from the previous year and to find and introduce new opportunities to our children:</p> <ul style="list-style-type: none"> • Continue to offer opportunities for our children to sample different kinds of sports and physical activities • Continue to hire a quality sports coach to upskill staff in teaching sports such as tag rugby, athletics and kwik cricket, to ensure we have a sustainable legacy of capable staff • Continue to hire a quality sports coach to teach specialist sports • Continue to subscribe to the Cluster Sport Co-ordinator services so we can have access to all Norfolk Schools Sports Partnership activities • Purchase new and replacement sports equipment • Re-join The Association of P.E. for professional advice and support

- Instigate the school's own 'Daily Run'
- Apply for the Sainsbury's School Games Bronze Award
- Install the all-weather running track we have been saving up for

ACTION PLAN FOR SPENDING OF SPORT PREMIUM - 2018-19

Academic Year 2018-19			
Key developments	Cost	Objective	Impact / Outcome
Whole-school karate taster sessions.	Free	For children to have another opportunity try a new, different sport in school.	Children reported really enjoying this opportunity. Those who joined the club are doing very well, one in regional competitions now. Some more children have joined as beginners.
Whole-school tennis taster sessions.	Free	For children to have another opportunity try a new, different sport in school.	Children reported really enjoying this opportunity. Those who joined the club are doing very well.
In-school staff CPD/upskilling alongside a qualified specialist coach.	£1368	To teach/upskill staff in how to confidently teach a range of sports e.g. tag rugby, to ensure sustainability.	Staff report greater confidence, knowledge and ability to teach sports such as netball and tag rugby. Children continue to report they enjoy their sports lessons. Personal/team progress and success in competitions continue to improve although access to Cluster and local sports events was more limited this year due to resignation of co-ordinator and difficulties seeking another.
Staff Training – upskill staff in new sporting activities CPD	£316	To introduce new opportunities and subsequently new skills to pupils.	Staff outcome was motivation to try the sport and confidence in new understanding/skill to share.
Hire qualified specialist coach to teach some sports.	£2889	For children to experience being coached in small groups to a high	Tag Rugby and Kwik Cricket coaching for another year has helped children to refine their

		level in specific sports e.g. athletics.	skills and work more harmoniously in their teams.
Continue subscription to the Cluster School Sports Co-Ordinator services/access to NSSP and attend sporting competitions and events.	£265	To share employment costs of Cluster Co-ordinator to arrange all festivals, galas and competitions fixtures so children can widen experience of participating, competing and getting involved with others.	Subject leader attended initial Cluster sports co-ordinator meetings but these were suspended as the co-ordinator had to resign. The children attended some events this academic year which were successful but it was less than last year as events did not run. Efforts to recruit a new co-ordinator were successful in the late summer term.
Employ 1:1 Well-being exercise support worker.	£420	To promote wellbeing and mindfulness by providing opportunities for yoga and other relevant exercise programmes.	To assist pupils in recognising and dealing with future health and mental health issues. To give them exercise/breathing strategies to help them in times of difficulty.
Whole school activity based day at Whitlingham Country Park.	£1540	To allow pupils the opportunity to take part in both land and water based activities.	This was a great success; children reported feeling challenged and stretched. Many tried things they never thought they could face e.g. going on water/up climbing wall. Staff felt it was a very rich experience and witnessed many 'firsts' for children and saw another exciting side to many of them, especially those who can be very quiet and shy.
Continue to upgrade and resource new activities/sporting equipment.	£2540	To introduce new opportunities to all pupils.	A variety of replacement equipment for old/unsafe items was purchased along with some new items for lessons and for the playtime shed so there is more to do at

			breaktimes. All equipment has been used and is useful.
Coach hire and travel expenses to Sporting events	£980	To allow pupils to take part in off site and externally organised events.	Without this money, being so rural, we couldn't access the sports events the children and staff love to participate in.
Apply for the Sainsbury's School Games award.	Free	To gain the bronze award and be working to silver.	We have looked at criteria and due to the cancellation of many Cluster competitions and events this year, we felt it best to defer a year in order to build up the number of events we have attended and be sure of bronze.
Research into Daily Mile and all-weather track needed for this.	Check quotes and select from different concepts offered by each company. Make a decision and install track. Cost £15000 to £16000	To increase the whole-school community's daily physical activity levels.	Track to be installed in April 2019. To be used by Y2-6 and staff on daily basis & YR/1 at times (they follow Activ8/Wake and Shake programme). Having been using the playground and field Staff report greater fitness and alertness in children and children report enjoyment and more fitness.
Total spend for 2018-19			£10,318
Carried forward to 2019-20			£16,600
