### **Our Sports & PE Vision Statement.**

At Carleton Rode CEVA Primary School, we aim to provide high-quality physical education which will inspire our children to participate, succeed and excel in a range of physically demanding activities including competitive sports. We aim to provide opportunities for our children to become physically confident in a way which supports their health, wellbeing and fitness and develops their character through embedding sporting values such as fairness and respect which complement our school's Christian values and school's overarching vision which is 'to love our neighbour as we love ourselves by treating others as we would like to be treated'.

### **About the PE and Sports Premium Funding.**

*Schools receive funding based on the number of pupils in Years 1 to 6.*

*Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money'.*
