## Our Sports & PE Vision Statement.

At Fornsett St. Peter CEVA Primary School, we aim to provide high-quality physical education which will inspire our children to participate, succeed and excel in a range of physically demanding activities including competitive sports. We aim to provide opportunities for our children to become physically confident in a way which supports their health, wellbeing and fitness and develops their character through embedding sporting values such as fairness and respect which complement our school's Christian values and school's overarching vision which is 'to love our neighbour as we love ourselves by treating others as we would like to be treated'.
